December 2013 Newsletter - Safar 1435

As Salaamu Alaykum wa Rahmatullahi wa Barakatahu

Seeking Reward Foundation (SRF) is a unique charity as our aim is not to raise the most amount of money, instead we aim to raise the most amount of reward for all those involved and then making Dua Allah accepts our deeds, insha-Allah. Mountains of rewards that you will see on the Day of Judgement that you do not know how you earned them, insha-Allah!

To achieve this aim we are constantly providing **you** the opportunities of Sadaqah Jariyah (ongoing deeds). The question is, are you aware of these opportunities? If the answer is no, not to worry this email is packed with Sadaqah Jariyah opportunities so you can't miss them!

Nigeria Water Project

Al-hamdulillah within 4 days of launching the Nigeria Water Project we raised the target of £5,000! For all those who have donated to our Where Most Needed fund in the past, a share of your donations have been allocated towards this project so you don't miss out on the reward, inshaAllah. May Allah reward all those who donated.

All the funds were sent shortly after we raised the target and were received by our volunteer who is currently on the ground in Nigeria. Preparations are currently taking place and work will begin this week insha-Allah.

To ensure **100%** of your donations are used for the project, the transfer fees to send the money were taken from our General Fund. This is what '100% Donation Policy' means to SRF.

If you would like to donate towards our General Fund and earn the reward of allowing SRF to sustain a 100% Donation Policy please [donate](#) now with a reference 'General Fund'.

How To Give Dawah?

Da'wah is recognised by the majority of scholars as being obligatory upon every Muslim. One might think, I do not have enough knowledge to give Islamic talks or dialogue with Non-Muslims. However, is this the ONLY way to give Da'wah? No, da'wah can also be done indirectly by giving someone a leaflet or book about Islam.

Simple right? Yes, this is something we can all do insha-Allah.

SRF are here to supply you with FREE Da'wah materials such as books and leaflets for you to distribute and begin fulfilling your obligation as a Muslim. Once you begin you will begin to taste that sweetness of your Emaan increasing and would want to continue, insha-Allah.

[Contact Us](#) now to request your Da'wah Materials.

SRF Blog

Have you checked out our Blog page? The SRF Blog shows the activities we are involved in and most importantly how we are utilising 100% of your donations.

We would really appreciate if you can explore our [Blog page](#) and leave your comments about our posts. If you don't want your name to show in the comment then insert 'Anonymous' in the name field.

We have recently installed a new feature on the blog page which allows you to subscribe your email so you can receive SRF Blog updates via email. Look for the SUBSCRIBE box when you next visit the [SRF Blog Page](#)

Weekly Reminders

Al-hamdulillah, we have great news to share with you! The SRF Weekly Reminders we have been telling you about are ready! We will release a new SRF reminder on a weekly basis for you to benefit from and then begin spreading, insha-Allah. The 1st SRF Weekly Reminder will be launched shortly insha-Allah, subscribe to our [YouTube](#) channel or our [Blog](#) to be one of the 1st to know.

We are a charity focused on Sadaqah Jariyah therefore the reminders we have recorded are short clips around 5 minutes each so that you can spread to all your family and friends via Facebook, SMS, Whatsapp, Twitter and any other method that allows you to share these videos and begin earning rewards for yourself, insha-Allah!

SRF Sponsored Students

Our Sponsor a Student project is working with [Pure Musk](#) to support students who want to learn the Qur'an but cannot afford to pay the fees. This project has 2 main benefits, 1) we make it possible for those who financially cannot afford all the tuition fees to learn the Qur'an by the will of Allah, 2) we provide you the opportunity to earn a copy of all the reward these students are building up.

This project has slowly progressed to a stage where we are receiving requests from students all around the globe including, Jamaica, Germany, India, Chechnya and all over the UK.

Visit our [Sponsor a Student](#) project page and see profiles of the students we are currently sponsoring.

We have many more students waiting for your support, so take this opportunity and set up a [regular donation](#) to the Sponsor a Student project in 4 simple steps.

Want To Earn Reward?

We are ALL in need of reward to seek the Pleasure of Allah, our ultimate goal.

Did you know SRF provide opportunities on a regular basis for you to earn reward? If you already know then are you maximising on these opportunities?

These opportunities are free to receive and require little effort to turn them into reward, insha-Allah.

What are they?

On daily basis SRF post an Ayah from the Qur'an, a Hadith from the Prophet (salallahu alayhi wasallam), a SeekingReward Reminder and a wise saying from a Companion or Scholar (may Allah be pleased with them). In addition to these we will now be posting a new YouTube SRF Reminder every week, insha-Allah.

How do I receive them?

Either by liking our [Facebook](#) page or following our [Twitter](#) page.

If you are not subscribed to any of these social networks because they are distracting then we advise to subscribe to Twitter and only follow 'SeekingReward' and you will only receive tweets from SRF, insha-Allah.

Then what...?

Once you receive these posts implement the knowledge you learn and then begin spreading them via the social networks, SMS, Whatsapp, emails or any other method you can use to spread these reminders. The more you share the more potential of reward insha-Allah.
