Nigeria Water Wells Part 2

In our last newsletter we launched an urgent appeal to raise £4,500 for 2 more water wells in other parts of Nigeria. Al-hamdulillah, within a month we raised the target, sent the money and recently received news that the wells have been completed!

SubhanAllah, the effects of establishing water wells in these villages is something we didn't expect. Not only have needy people been able to drink clean water but many Non Muslims have been embracing Islam! Allahu Akbar!

The people were told SRF is a Muslim Charity and as a result they saw Islam in a very positive direction, a religion of compassion towards another fellow human being which is what they want to follow.

We anticipate you want to know more therefore we are hoping to upload a video soon of interviews with these people, insha-Allah!

Audio System in Glasgow

SRF Islamic Audio project supported a Masjid in Glasgow to install an Audio System

with your donations. Masjid Al Farooq, which is driven by a Madinah University graduate are aiming to become more active and required a PA system upgrade.

The Masjid which is the only Masjid upon the correct Sunnah in Glasgow were unable to afford an extra microphone and audio combiner as part of their system upgrade. SRF were advised of this huge opportunity for Sadaqah Jariyah and instantly decided to donate £150 of **YOUR** donations towards this cause.

Al-hamdulillah, we have received news that the system has been installed and reaping rewards for those who donated, insha-Allah.

Al-hamdulillah, SRF Sponsor a Student project is active in earning Sadaqah Jariyah (ongoing deeds) for our donors.

In addition to supporting students on a regular basis SRF also use your donations to support Islamic University students.

Recently we supported a student from the Islamic University of Madinah who could not afford to purchase books for his studies. The books including: Sharah Al Aqeedhatul Tahwiyah (5 Vols) and Tahsees al Ahkam (5 Vols).

This student aims to become someone who will benefit others with knowledge they have learned. Imagine the Sadaqah Jariyah that can come from this! Insha-Allah. Make sure you are part of the reward by [donating regularly](#).

The Prophet (May the Peace & Blessings of Allah be Upon Him) was asked,

SRF Impacts New Jersey, USA

Read this and be amazed how little deeds can make huge impacts.

A Non Muslim from New Jersey (USA) had been researching about Islam for a few months, she then watched a SRF Weekly Reminder on YouTube and decided to embrace Islam! Allahu akbar!

The Sister then advised she wanted literature about Islam for herself and 3 daughters! SRF Books of Knowledge put together a pack of books and sent them over to New Jersey, USA.

SHARE OUR YOUTUBE REMINDERS!

New Speakers

Al-hamdulillah, we have been consistent in uploading a new reminder every week. We hope you have been benefiting from the knowledge and sharing with others. I am sure the story above about the sister in New Jersey is a big enough reason to share these reminders.

We are try our best to record as many different speakers as possible. This month saw 2 new speakers delivering a weekly reminder; Wajid Malik (Middlesbrough) and Muhammad Tim (Newcastle). May Allah reward all the speakers who have recorded reminders for SRF and the brothers who travelled over 400 miles to record them.

Tajweed Qur'ans Being Recited

Once we distribute Tajweed Qur'ans with your donations we follow up to ensure the Qur'ans are being used regularly.

We recently received pictures from a Madrassa in Middlesbrough showing students reciting from Tajweed Qur'ans that SRF provided. SubhanAllah, the hadith about the reward for each letter comes to mind. May Allah accept this Sadaqah Jariayah.

Another feedback we received from a brother in Manchester emailed us to say he makes Dua for those who donated the Qur'an every time he recites.
