Togo Water Well Video

Al-hamdulillah the Togo Water Well was completed last month and now we have uploaded a video of the project. SRF takes the responsibility of utilising your donations towards the cause very seriously. Firstly because we will be held accountable by Allah on the Day of Judgement and secondly because of the trust our donors have placed with us when donating. For this reason we take every opportunity to show how your donations have been utilised, whether that is through a video, picture or written testimonial.

The Prophet (May the Peace & Blessings of Allah be Upon Him) was asked, "What deeds are loved most by Allah?" He said, "The most regular constant deeds even though they may be few." [Bukhari & Muslim]

Follow the hadith and set up a **regular donation** no matter what the amount!

SRF Reach Ri yadh

"May Allah bless the brothers that run SRF and anyone who supports and donates towards this noble cause. Alhamdulillah I'm a student of knowledge studying in one of the Islamic Universities and I plan to return to the West after gaining knowledge to give dawah in shaa Allah. SRF rushed to gain the reward of helping me to buy books which I need for my studies. I ask Allah to accept their efforts and I encourage anyone who has the ability to take advantage of this amazing opportunity. Jazaakumullaahu khairon"
