## November 2013 Newsletter - Muharrum 1435

As Salaamu Alaykum wa Rahmatullahi wa Barakatahu

Al-hamdulillah it has been a busy month for SRF since we sent our October Newsletter. There are many updates we wanted to share with you including JustGiving, our faster website, busy Books Team, activity packed Blog, Congo Project and a video clip from a world renowned recitor.

## SRF Joins JustGiving

SRF has joined JustGiving, Al-hamdulillah. Now there are more ways for you to donate and begin earning ongoing rewards, inshaAllah. JustGiving feature also makes setting up a monthly donation easier.

Visit our JustGiving page [www.justgiving.com/s-r-f/donate](http://www.justgiving.com/s-r-f/donate)

In addition to making donating online easier, we have also introduced donating by sending a simple text message..

Text 'SRFA44' followed by the amount you want to donate (£1/£2/£3/£5/£10) to 70070. Below is an example of how to donate £5.

SRFA44 £5

## New Website

The SRF Team have been quick to plant seeds of Sadaqah Jariyah for all those involved but our previous website could not keep up with the pace. We was finding our website was very slow to load and we did not want this to be an excuse for shaytaan to move people away from seeking reward. Therefore our volunteers worked really hard to produce an updated version with a new design and most importantly much quicker, Al-hamdulillah.

## SRF Blog

Al-hamdulillah since our launch in April 2013 we have planted many seeds of Sadaqah Jariyah across the globe. With so many activities taking place and many

people donating regularly, it is important we share with everyone the work we are doing.

Therefore, we have created a blog page on our website which allows you to keep updated with our activities and also look into the past by going through our Archives. If you want to know about activities taken place in a specific project this is also possible by clicking the project in the column on the right.

## Busy Books Team

The SRF Books team have been busy this past month planting seeds of Sadaqah Jariyah across the UK and not forgetting Belgium, Pakistan and Syria! Visit our [Books of Knowledge page](#) on our Blog for more details.

SRF was notified that a charity is going to Syria to help set up an Islamic Library for the Syrians. Therefore we took this opportunity and sent Tajweed Qur'ans, Qaida's, Surah Baqarah only Qur'ans and a number of Arabic books.

The SRF Books Team also reached to those forgotten Muslims in Prison. A large number of Islamic books and English translation Qur'ans were sent to a prison in North England. As a prisoner, time in prison is an ideal time to change to a new way of life, what better way of life is there other than Islam? Therefore SRF dispatched over 70 books and 20 English translation Qurans in the hope that it will change the lives of prisoners and draw them closer to Allah inshaAllah.

## Water Project Complete

Within a few hours of launching the Congo Water project the target was raised and funds were sent the same day, Al-hamdulillah. The project is now complete and the poor people from surrounding villages have begun drinking those drops of fresh clean water.

Keep an eye on our [Blog page](#) or [Facebook](#) and [Twitter](#) for pictures.

## COMING SOON

As mentioned in our previous newsletter we are working on producing short weekly reminders. Progress has been slow because we did not have our own Video recording equipment, however, some brothers heard of what we trying to do and donated a Video camera! May Allah reward them. Therefore, we should now be able to continue recording and start uploading soon, inshaAllah!

The Islamic CD which were compiling containing a number of short but inspirational reminders is now complete. Once we have received feedback from people, we will get this CD into production and distribute all around UK, inshaAllah.
