## October 2014 Newsletter - Dhul Hijjah 1435

And [mention, O Muhammad], the Day when the enemies of Allah will be gathered to the Fire while they are [driven] assembled in rows.

Until, when they reach it, their hearing and their eyes and their skins will testify against them of what they used to do. And they will say to their skins, "Why have you testified against us?" They will say, "We were made to speak by Allah, who has made everything speak; and He created you the first time, and to Him you are returned.

And you were not covering yourselves, lest your hearing testify against you or your sight or your skins, but you assumed that Allah does not know much of what you do. And that was your assumption which you assumed about your Lord. It has brought you to ruin, and you have become among the losers."

Surah Fussilat (41), Ayaat 19 - 23

## New Revert in Prison Calls for Help

Allahu Akbar! SRF were presented with an amazing and unique opportunity of Sadaqah Jariyah. This opportunity is not available to most people, it is not an opportunity presented on a regular basis, it is an opportunity which Allah the Most Generous presented to SRF and as a result, you the donors.

A revert who had only been a Muslim for a few months in a UK prison wrote a letter stating he is "looking to learn more about this great religion. I've seen the true side and the things I've learnt are beautiful. So please if possible could you help."

Allahu akbar! SRF immediately responded by sending some simple books about the basics of Islam and ask Allah to keep this brother steadfast on the path of Islam. Ameen.

Many pearls and lessons can be taken from this story but one to highlight is, for those who were blessed to be born Muslims, are we 'looking to learn more about this great religion'?

## Carson City Prison, USA

Back in May we sent a number of [books to prisoners in America](#), one of which was the Imam of the prison. Al-hamdulillah the books reached the prisoners and the Imam sent a letter of gratitude and request for more help.

The Imam mentioned he was "overjoyed and greatly appreciative to Allah about your rapid, satisfactory response to my

humble request for those books... They were very much needed".

The Imam of the prison in Carson City, USA, then made a final request for some more books, which if provided, he would be able to do his "duty as the Imam and most learned Muslim" in the prison to portray the message of Islam.

SRF took this unique and golden of opportunity of Sadaqah Jariyah and provided the books the Imam requested, to plant seeds of Sadaqah Jariyah for our donors in a prison in the USA. May Allah accept this from all. Ameen.

## SRF in Africa - Story So Far

It has been a year since SRF first began helping the people of Africa. Since providing a water well in Congo, SRF has moved across Africa helping thousands of needy people in a number of ways.

Below is a summary of the update we have received from our contact who manages all our work in Africa:

SRF works diligently to support the environmental, agricultural and health education required to build and sustain healthy communities[...] providing clean water to at least 15 000 rural people in each country. High capacity wells built in Africa- 4 in Nigeria, 2 in Uganda, 2 in Kenya, 1 in Congo, 1 in Rwanda, 1 in Burundi and 1 in Mozambique.

SRF has also financed and distributed 1500 Tajweed Qurans to Rwanda and Burundi to under privileged Madrassahs, Muslims, households and to poor families. Also SRF have distributed 2000 hand and pocket Qurans to new reverts and Muslims in Nigeria.

Seeking Reward has distributed well the donations of those who have contributed for providing clean water and knowledge (which) is the most essential need in the lives of mankind, especially the needy...

## Nigeria Quran Distribution

SRF sent 2000 English translations of the Qur'an to Nigeria for distribution. Al-hamdulillah we recently received news from our contact on the ground that the Qur'ans have been distributed. Allahu akbar! This is an amazing Sadaqah Jariyah!

Below is what our contact in Lagos, Nigeria reported back:

I have distributed considerable number of them. I have given preference to non Muslims who may be interested to know more about Islaam and I have also given to Muslims who need them. I have targeted prisons yards, schools and individual contacts through personal da'wah and through proxies. I have distributed in the East of Nigeria also.
