As salaamu Alaykum wa Rahmatullahi wa Barakatahu

Taqabbala Allaah minna wa minkum.

May Allaah accept (good deeds) from us and from you.

A regular donor, a volunteer, someone who has benefitted, signed up to our mailing list, made a single donation, or just heard about Seeking Reward Foundation (SRF), no matter how you know about SRF it was time we sent an update.

Story So Far...

tajweedqur'an

Since the launch of this project we have distributed 714 Tajweed Qur'ans across 6 cities in the UK and also reached out to Sweden and Somalia! These Qur'ans have gone to all age ranges for different purposes. Some for regular recitation, some for memorisation and others to correct pronunciation, which ever the purpose, they will continue to benefit those who have donated till the Day of Judgment, inshaAllah!

books
ofknowledge

We have distributed Islamic literature across the globe. Sweden, Nigeria, Pakistan, USA, Egypt and not forgetting across many regions in the UK. This means from the literature SRF has distributed, knowledge is being implemented across 5 different time zones, rewards being earned around the clock, inshaAllah! SRF is also working with [Islamic Online University \(IOU\)](#) by supporting their students with literature.

sponsor
astudent

SRF are working with [Pure Musk](#) (online Qur'an and Arabic institute) to support students across the world who cannot afford to pay the tuition fees. The students we sponsor include children and adults who study the Qur'an between 2 and 5 hours each week! When a student learns a tajweed rule or a Surah from the Qur'an or even when they recite to their teacher, a copy of the reward goes to all those

involved each time, inshaAllah!

islamicaudio

Currently SRF have supported 2 masajid to purchase and install audio equipment. The sound systems installed will continue to reward those involved every time they are switched on, whether that is for regular prayers, Islamic lectures, Jumuah or even tarawih prayers in Ramadhaan, inshaAllah. SRF are constantly searching for opportunities like the above to plant your seeds for the akhirah.
