April 2014 Newsletter - Jumada al-Thania 1435

As Salaamu Alaykum wa Rahmatullahi wa Barakatahu

Since our last newsletter SRF's main focus has been on our Water Wells project. We were attempting to build 4 wells across 2 countries one after another. Read further to see how we got on.

Uganda Water Wells

All done, Al-hamdulillah. We built 2 wells in Uganda. The 1st was in Masindi district, Western Uganda and the 2nd was in Iganga District, Eastern Uganda.

Similar to Nigeria, we have heard some inspiring stories from the locals. These stories will be put together in a short video clip and be uploaded soon, insha-Allah. In the meantime we have a few [pictures](#) for you to see.

Kenya Water Wells

In our last newsletter we announced the target for 1 Water Well in Kenya was raised the same day we launched the project. Therefore we begun raising for a 2nd well in Kenya but we had set a deadline. The deadline approached and we had more than 50% of the target remaining.

By the Decree of Allah the target was reached by a donation from a family who donated on behalf of their mother who recently passed away. May Allah put this in their scale of good deeds and all the other donors.

We recently received news the 1st Kenya Water Well has been completed and the 2nd well is currently under construction!
