## May 2014 Newsletter - Rajab1435

As Salaamu Alaykum wa Rahmatullahi wa Barakatahu

'Aishah (may Allah be pleased with her) once asked the Prophet, sallallahu 'alayhi wa sallam, "O Messenger of Allah, when Allah says, 'And those who give that (their charity) which they give with their hearts full of fear ... ' [Al-Qur'an 23:60] is he the one who commits adultery, drinks alcohol or steals?" He said, "No, daughter of as-Siddiq. It is the man who fasts, prays, and pays sadaqah. But he fears that none will be accepted from him." [At-Tirmidhi and others]

The believers are those who do good deeds with their hearts full of fear, not knowing if their good deeds have been accepted or not. Therefore we ask for you to make dua to Allah, that He accepts all of our good deeds. Ameen.

## Books to Gambia

Dr. Bilal Phillips has recently been doing Dawah work in Gambia. He stated on his Facebook page that the main educational institution (The University of The Gambia) lacked authentic books as they only had copies which were of the Ahmadiyya sect.

SRF received emails asking if we can supply books to spread the authentic message of Islam to the Gambians. Our Books Team responded to this request by sending a number of books to Gambia with your donations!

## Sponsor a Student Project

This month we have received a number of applications from students around the UK who cannot afford Qur'an classes. Al-hamdulillah, SRF Sponsor a Student project has been set up to provide scholarships to these students with your donations.

Below is just one of the many messages we receive from the students (or parents)

we are sponsoring:

"jazakallaah khairn for aiding us to facilitate my daughter to take part in these lessons, she really enjoys her quraan and her teacher Allaahumma barik alayha. May it way heavy on all your scales on yum ul qiyamah, aameen".

The Prophet (May the Peace & Blessings of Allah be Upon Him) was asked, "What deeds are loved most by Allah?" He said, "The most regular constant deeds even though they may be few." [Bukhari & Muslim]

Follow the hadith and set up a **regular donation** no matter what the amount!

## Kenya Water Wells

Al-hamdulillah, last month the 2nd water well in Kenya was completed. In a short space of time, Allah has allowed us to build 2 water wells in Uganda and 2 water wells in Kenya. May Allah reward all those who donated and all those who were involved in building these wells.

Our main volunteer on the ground building these wells caught a severe illness during their travels in Uganda and Kenya. Al-hamdulillah they are currently being treated in South Africa and are close to full recovery.

We ask Allah to cure them and all those Muslims suffering around the globe and make this as a source of purification for their sins. Ameen!

Videos and pictures of these projects have been delayed but once our volunteer is out of hospital, we will bring you footage of how your donations are earning you rewards, insha-Allah.
