## When He Recites, He Makes Me Cry

We receive regular feedback from our students, their parents and the teachers. Below is some feedback we received from the parent of one our our young students that we had to share!

*"Alhamdulillah this month has been prosperous.... (student) is very enthusiastic with his hifaz. His tajweed has improved, **when he recites he makes me cry that Allah has blessed us with people like yourselves (SRF) who have made it possible for him to recite with such passion.** He has started juzz 28 a few weeks ago alhamdulillah he is memmorizing daily."*

## Qur'ans Distributed in Rwanda and Burundi

In Ramadhaan we gave you an [amazing opportunity](#) to donate towards 1500 Tajweed Qurans that were going to be distributed in Rwanda and Burundi.

Al-hamdulillah the funds were raised via [Abu Ibraheem's JustGiving](#) page and the Qurans were distributed to the people of Rwanda and Burundi. Watch this short video of some of the Qurans being distributed.

## Off To Jamaica!

SRF were recently given an opportunity to plant seeds of Sadaqah Jariya in Jamaica and we took it, Al-hamdulillah!

We were contacted by a brother who recently took a trip to Jamaica. He advised the brothers and sisters in Jamaica were in need of literature to increase their knowledge and also to use this

knowledge to give Dawah to the Non Muslims. To the extent that the Masjid only had 3 Qur'ans. The brother advised that many people in Jamaica are eager to learn about Islam but there is a shortage of literature or people of knowledge.

SRF took this rare opportunity and provided a wide range of Books and Qurans (purchased with your donations!) to be shipped to Jamaica. The picture shows a selection of some of the books we sent May Allah accept this as Sadaqa Jariya till the Day of Judgement, Ameen!

## What's That Sound?

A Non Muslim was flicking through TV channels and came across a channel which was showing Masjid Al Haram, Makkah. They sat for nearly an hour glued to the TV at the amazing sight of people going around the Ka'ba. Some time later they watched a video of Qur'an recitation on the Instagram page of a SRF volunteer.

They commented, "what's that sound, it's beautiful?"

Al-hamdulillah, this led our volunteer to advising this Non Muslim about Islam, which led to more questions, which led to the opportunity for SRF to send some literature to this Non Muslim. Al-hamdulillah we sent some literature immediately hoping that Allah guides this person to Islam and we share a copy of the rewards. Ameen.

## SRD CDs Continue to Spread

Since our last newsletter more of the SRF Islamic CDs have been spreading across the UK.

Over 200 CDs were distributed after Jumuah at Mohammdi Masjid in Birmingham. Brother and Sister volunteers ensured CDs were distributed to the Brothers and Sisters leaving the Masjid.

The SRF CD was also requested for distribution in Slough, Berkshire. The SRF

Team saw this as another amazing opportunity to spread knowledge and immediately dispatched CDs to Slough for them to be distributed.

150 CDs were also recently sent for distribution in East London.

## I Love The Work You Do

**joinourteam**

We recently received an email from someone who came across SRF and wanted to seek reward. These were their exact words, "please contact me if you are in need of volunteers, i have come across your charity recently and i love the work you do mashallah".

This person (may Allah reward them) realised the huge opportunity of Sadqah Jariyah with the work that SRF do and wanted to be a part of it. Even

with the smallest of actions such as sharing SRF pages on social media or distributing SRF CDs. We sent 150 CDs to this volunteer and they advised they will

start distributing them in East London as soon as they arrive!
